# YEAR 3- EGYPT

FORM + PATTERN

# WHY ARE WE STUDYING THIS?

This project will help us to understand

- ancient Egyptian design- especially hieroglyphics
- what “Pattern” is
- what “symbols” are

We will learn how to

- use symbols to communicate
- design
- use clay- in particular “score and slip”

# HOW CAN WE RECOGNIZE EGYPTIAN HIEROGLYPHICS?

What can you see?

Shapes?

Symbols?

Colours?

Patterns?

Explain what you like:

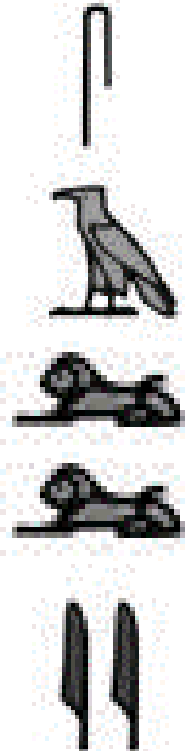

I like... because...

# CREATE A HIEROGLYPH OF YOUR NAME

Things to remember...

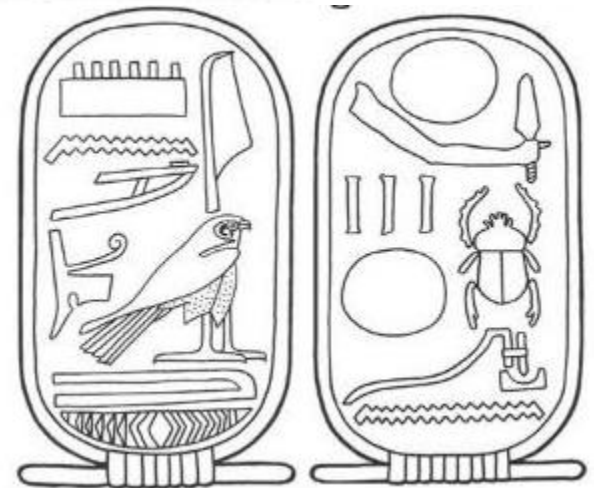

- Check the symbol for each letter
- Try to keep the symbols the same size
- Draw them vertically- so they read top to bottom
- Can you read this name?...

# CREATE A DESIGN FOR AN EGYPTIAN CARTOUCHE

Things to remember...

- Stay inside the template shape
- Write an actual word or name

# CREATE A CERAMIC EGYPTIAN CARTOUCHE

Things to remember...

- Use the guide sticks when rolling out the clay
- Try to keep the “worm” of clay the same thickness all the way along
- Always use “score and slip” when attaching clay.

# EVALUATION CHAT...

**During this project I learned about...**

**I learned how to...**

**I enjoyed...**

**I am proud of...**
