Explain what

you like:

I like...

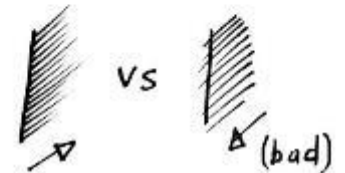

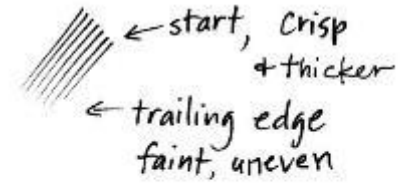

because...

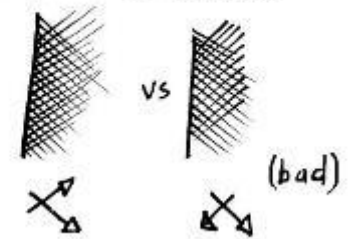

CREATE A CROSSHATCH DRAWING OF A JEJU STATUE

Things to remember...

- Sketch out the basic shapes first
- Use lines that are close together and overlap a lot to create the darkest tones
- Use lines that are more spaced out and not so overlapped to create the lighter tones

keep it consistent

CREATE A SOAP CARVING OF A JEJU STATUE

Things to remember...

- “draw” out your design on the soap first
- Carefully carve out the deep / negative shapes so the the “sticking out parts” / positive shapes are left
