EMPLOYMENT HISTORY

North London Collegiate School (Singapore)

Assistant Principal - Teaching & Learning (2020 - present)

Head of Art (2020 - 2022)

Key Responsibilities & Achievements

- Member of the founding staff body. Originally as the Head of Art, establishing every aspect of the curriculum, facilities and growth planning. As Assistant Principal, shaping the T&L role with a focus on ensuring the ethos of scholarship became a culture of academic enrichment and professional development.
- Leading and coordinating the internal programme of professional development (Academics, Pastoral and Enrichment) across the Senior School.
- Creating and maintaining a Whole School PD Hub, including a weekly blog, takeaways from external PD, catalogued internal PD resources and a PD Library.
- Designing and implementing internal PD programmes and projects including a Middle and Senior Leadership Programme, a Coaching Programme and an Action Research project investigating Feedback Dialogue. Fostering a culture of evidence-informed pedagogy in which practice is informed by high-quality educational research.
- Designing, embedding and overseeing all aspects and tracking of the Academic Enrichment programme in the Senior School. Including the timetabled enrichment programme for Grades 9-12, student-led seminars, a well-attended lecture series, academic visitors and a host of academic societies.
- Evaluating the quality of T&L through academic monitoring and supporting the VP (Academic) in developing strategies for its continuous improvement.
- Identifying examples of excellent practice with regard to teaching, learning, assessment and feedback and ensuring that they are disseminated as appropriate.
- Line-managing a group of Heads of Department ; supporting development planning, staff recruitment and all other responsibilities associated with leading a department.
- Supporting the day-to-day running of the Senior School, as a member of the Senior School Management Team and deputising for the Vice Principal.
- Overseeing, designing and producing the School Yearbook.
- Teaching Visual Arts from Year 7 to Year 13. Courses taught including IB MYP Art, and IB DP Visual Arts, including MYP Personal Project Supervision and DP EE Supervision.
- Contributing fully to the school's enrichment programme, e.g. Her Art Society, Pedagogy Society, Editorial Arts Society, Art Service CCA, Young Scholars CCA.
